

Federal Emergency Management Agency

Washington, D.C. 20472

February 24, 2015

The Honorable Katherine H. Nunez
County Administrator, Northampton County
Post Office Box 66
16404 Courthouse Road
Eastville, VA 23347

Case No: 11-03-0558V
Community: Northampton County, VA
(Unincorporated Areas)

Community No.: 510105
Effective Date: March 3, 2015

Dear Ms. Nunez:

LOMC-VALID

This letter revalidates the determinations for properties and/or structures in the referenced community as described in the Letters of Map Change (LOMCs) previously issued by the Department of Homeland Security's Federal Emergency Management Agency (FEMA) on the dates listed on the enclosed table. As of the effective date shown above, these LOMCs will revise the effective National Flood Insurance Program (NFIP) map dated March 2, 2015 for the referenced community, and will remain in effect until superseded by a revision to the NFIP map panel on which the property is located. Please be advised, the revalidation letter effective August 29, 2008, case number 07-03-1065V, for Northampton County has been superseded. All LOMR-Fs and LOMAs from that letter have been reviewed and have been incorporated into this updated revalidation letter if appropriate. The FEMA case number, property identifier, NFIP map panel number, and current flood insurance zone for the revalidated LOMCs are listed on the enclosed table.

Because these LOMCs will not be printed or distributed to primary map users, such as local insurance agents and mortgage lenders, your community will serve as a repository for this new data. We encourage you to disseminate the information reflected by this letter throughout your community so that interested persons, such as property owners, local insurance agents, and mortgage lenders, may benefit from the information.

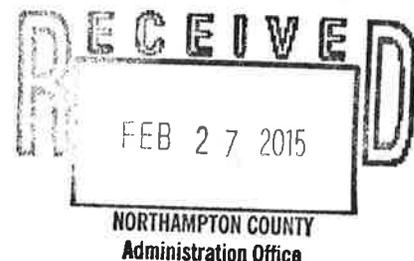

For information relating to LOMCs not listed on the enclosed table or to obtain copies of previously issued LOMR-Fs and LOMAs, if needed, please contact our FEMA Map Information eXchange (FMIX), toll free, at 1-877-FEMA-MAP (1-877-336-2627).

Sincerely,

Luis Rodriguez, P.E., Chief
Engineering Management Branch
Federal Insurance and Mitigation Administration
