Dear Ms. Nunez:

I have been retained by the Commissioner of Highways (“Commissioner”) to represent his interests in condemnation proceedings for the referenced property. My file indicates that you represent Northampton County, a party having a possible interest in this property. I further understand that Northampton County is willing to execute a Quit Claim Deed in favor of the Commissioner, transferring its interests in the subject property. To that end, I enclose a Deed for execution by an authorized representative of Northampton County, which should be returned to me for recordation along with a copy of a resolution authorizing the conveyance.

Please let me know if you have questions in this regard. Your anticipated cooperation is appreciated.

Very truly yours,
