Dear Ms. Nunez:

I am pleased to inform you that the State Water Control Board, at its meeting on December 9, 2010, authorized a loan for the referenced project from Virginia's available FY 2011 program resources. The authorization is contingent upon our receipt of favorable financial reports and recommendations from the Virginia Resources Authority and your compliance with all program requirements. The loan amount and interest rate for your project, as established by the Board, are as follows:

\$10,920,746 @0% / 20 years

I want to call your attention to the VCWRLF identifier number as referenced. C-515473 is the number that is assigned to your loan project. This number should be used on all correspondence and documents associated with the loan project.

We look forward to working with you on this project. Please do not hesitate to call if you have any questions or need any assistance.

Sincerely,

Walter A. Gills, Program Director
