Re: Virginia Clean Water Revolving Loan Fund  
FY 2011 Financial Assistance

Dear Ms. Nunez:

On September 27, 2010, the State Water Control Board tentatively authorized your project(s) for FY 2011 loan assistance from the Virginia Clean Water Revolving Loan Fund (VCWRLF), subject to receipt of public review and comment. A public meeting to receive comments on the 2011 loan funding list will be held at DEQ's Richmond office on November 16<sup>th</sup> at 2:00 p.m. The Board will meet again on December 9<sup>th</sup> to finalize loan rates, terms, and conditions for the projects that are funded.

I will be in contact with you in the near future to arrange a meeting. The purpose of the meeting will be to make you aware of the requirements of the VCWRLF program and to identify the status and courses of action needed for your project to comply with these requirements. We would also like to discuss any scope-of-work or eligibility issues, any necessary financial information relative to the project/locality, and the details of your project(s) schedule.

Should you have any questions regarding the meeting, please contact me at (804) 698-4133.

Sincerely,

Walter A. Gills, Program Director  
Construction Assistance Program
