

**THE COUNTY OF NORTHAMPTON
POSITION DESCRIPTION**

**TITLE: Current Planner
Grade: 122**

**Draft: June 2017
Adopted: June 2017
Reviewed: June 2017**

GENERAL DESCRIPTION:

The essential function of the position is to provide zoning and planning technical support for the Planning Permitting and Enforcement Department. The position works under general supervision of the Senior Zoning Administrator and Senior Planner. The position will assist the Sr. Zoning Administrator with general zoning services, implementation of specific program elements within Title XV Land Usage of the Northampton County Code and special zoning projects. The position will assist the Sr. Planner with general planning services; the planning, development and updates for specific land use policies and documents and special planning projects.

PRIMARY DUTIES:

Assist Sr. Zoning Administrator and Sr. Planner with special use permits, zoning text amendments, zoning map amendments, waivers, exceptions, variances and code amendments, and violation notices..

Manages and implements the septic system pump-out program components of the County's codes in accordance with Chesapeake Bay regulations. Coordinate with support staff to develop procedures for public notices and data collection and input of the septic system pump-out component of these regulations. Coordinates with the Sr. Zoning Administrator and Sr. Planner to develop procedures for data management that will further the implementation and compliance of these regulations utilizing the County's geographic information systems and other database software.

Manages and implements the agricultural best management practices components of the County's codes in accordance with the Chesapeake Bay regulations. Coordinate with support staff to develop procedures for public notices and data collection and input of the agricultural best practices components of these regulations. Coordinate with the Eastern Shore Soil and Water Conservation District in regards to providing conservation plan and best management practice design services for the agricultural land owners. Coordinate with the Sr. Zoning Administrator and Sr. Planner to develop procedures for data management that will further the implementation and compliance of these regulations utilizing the County's geographic information systems and other database software. Coordinate with Development Inspector to develop a compliance inspection schedule.

Coordinates with the Sr. Zoning Administrator and support staff to develop procedures to collect and input data regarding recorded Chesapeake Bay best management practice agreements (dating from October 1, 1989 to June 30, 2014), recorded Stormwater best management practices (dating from July 1, 2014 to present) and other recorded agreements, bonds and proffers. Coordinates with the Development Inspector to develop a compliance inspections schedule for these agreements, bonds and proffers. Coordinates with the Sr. Zoning Administrator and Sr. Planner to develop procedures for data management that will further the implementation and compliance with these agreements, bonds and proffers utilizing the County's geographic information systems and other database software.

Assists Sr. Planner with AFD program.

Additional Duties:

Per County contract with the towns of Eastville and Nassawadox assists Sr. Zoning Administrator and Sr. Planner as needed with review of projects for compliance with the respective planning issues, special projects, town code and issue zoning clearance for building permits. Review potential violations per respective zoning code. Maintains records of time spent performing planning and zoning services for each town and provides documentation to the Office Coordinator. Forwards any required inspections or enforcement to the Development Inspector and Code Compliance Inspector as necessary.

Performs research to gather and compile information/data for preparation of departmental reports and papers.

Assist in compiling information for the Wetlands Board, Board of Zoning Appeals and Planning Commission.

Attends staff and other professional meetings to exchange information.

Assists with special projects as directed.

DATA RESPONSIBILITY:

Compiles, examines, or evaluates data or information and possibly recommends action based on results. This may require training or proficiency in specialized software programs.

PEOPLE RESPONSIBILITY:

Instructs or trains others through explanation, demonstration, and supervised practice, or by making recommendations on the basis of technical disciplines.

Provides assistance to public regarding local, state, and federal laws and/or ordinances.

INVOLVEMENT WITH THINGS:

Leads or handles machines, tools, equipment or work aids involving moderate latitude for judgment regarding attainment of a standard or in selecting appropriate items, such as computers and specialized software.

ASSETS RESPONSIBILITY:

Requires responsibility and opportunity for achieving moderate economies and/or preventing moderate losses through the management or handling of supplies of high value or moderate amounts of money.
