

Press Release from Northampton County Administration

Northampton County is pleased to announce it has received notification that it has been selected as one of the entities which will negotiate to receive an award for two Community Wide Assessment Grants from the U.S. Environmental Protection Agency. We are pleased to be working with the EPA on implementing these grants in order to facilitate the revitalization of brownfield sites throughout Northampton County. The grants would total in the amount of \$300,000.

The Honorable H. Spencer Murray
Chairman
Northampton County Board of Supervisors
PO Box 66
Eastville, VA 23347

Dear Chairman Murray:

On behalf of the United States Environmental Protection Agency (EPA), I am pleased to congratulate you and confirm that Northampton County was selected as one of the entities EPA will begin negotiations with to award cooperative agreements for two assessment grants. Northampton County submitted an outstanding grant proposal, and we deeply appreciate the tremendous commitment of time and energy that went into its preparation.

Through the Small Business Liability Relief and Brownfields Revitalization Act of 2002, as amended by the Brownfields Utilization, Investment, and Local Development Act of 2018, EPA is working to help states and communities around the country clean up and revitalize brownfield sites. We fully expect that these brownfield projects will provide benefits to the environment and economy of local communities. Felicia Fred, your Regional Brownfields Contact, will work closely with Northampton County to negotiate the cooperative agreements prior to the grant awards. Please contact Felicia Fred at 215-814-5524 or fred.felicia@epa.gov.

Again, congratulations on being selected! We look forward to working with you.

Sincerely,

A handwritten signature in cursive script that reads "David R. Lloyd".
